# Violence in Islam

Islam's bloody history  
through the centuries

## Against Muslims

"Mohammed is God's apostle. Those who follow him are harsh to the unbelievers but merciful to one another" Quran 48:29

However, the Islamic idea of "merciful" is an odd one: the Syrian civil war alone has claimed 110,000 Muslim victims to date.

### October 2013

Baghdad, Iraq - A Fedayeen suicide bomber exterminates over a dozen Shiite pilgrims.

Tal Afar, Iraq - 14 children ages 6 - 12 are murdered along with their principal by a Shahid suicide bomber at a playground.

Karachi, Pakistan - Two Shiite electrical employees are gunned down by Sunnis.

Balad, Iraq - Over a dozen cafe patrons in a Shiite town are incinerated by a Sunni suicide bomber.

Tripoli, Lebanon - Sectarian bombers target a rival mosque, killing over two dozen worshippers.

## Against Non-Muslims

### Europe

In May of 2013, English military drummer Lee Rigby was murdered by Muslims in the middle of London, in broad daylight.

The incidence of violent rape of European women by Muslims has skyrocketed throughout Western Europe.

### America

The perpetrators of the Boston Marathon massacre were two Muslim brothers.

Al-Queda operatives perpetrated the attacks on the World Trade Center.

### Africa

Islam ran the wholesale slave trade in Africa. 25 million slaves were delivered to the market. About 120 million more died from castration & forced marches. In northern Nigeria hundreds have been killed in horrific attacks on schools over the last two years.

### Asia

July 2013 - Nine bombs went off in Buddhism's most sacred temple, the Bodhi Gaya in India.

September 2013 - Attacks by Islamic militants have claimed 244 victims in the Philippines.

## Targeted Violence

### Women

In Sudan, women are flogged publicly. Amira Osman, a Sudanese activist, was charged with the crime of not covering her hair with a scarf.

In 2012, a prominent Saudi cleric beat, tortured, & raped his 5-year-old daughter, who died from the injuries.

### Americans

Egypt's Muslim Brotherhood president Mohammed Mursi was implicated in the attacks on American installations in Benghazi on 9/11/12.

### Jews

During WWII, the Grand Mufti was largely responsible for the Nazi program of Jewish extermination.

### Christians

#### September 2013

90 Christians were killed & 120 injured in a suicide attack in Peshawar. 67 Christians were killed in the Westgate mall attack in Nairobi, Kenya. 8 Christians were killed in Damascus when their church was bombed by Muslim terrorists.
